

Find the Letter to Complete Two Words

In these questions, we are looking for one letter that can complete both words. It will become the final letter of the first word and the first letter of the second word.

Example:

clim _____ ake

The missing letter is **b**. Using the letter b, you create the words climb and bake. This one letter fits both words to create two complete words.

Write the missing letter on the line.

1. fol _____ raw

2. dat _____ ble
